

**ADDENDUM# 1
TRAFFIC SIGNAL LOOP DETECTORS**

Bid # 6186F

March 25, 2011

Dear Vendors:

The Contract Bidding Documents pursuant to Bid # 6186F are hereby revised as follows:

The Following are in response to RFI's received:

Q1: In regards to the hand holes, do you want 30x30, Type II, or the special West Hartford hand hole. Please advise.

A1: The item will require the Contractor to replace the existing hand hole (regardless of the existing type) with a Type I hand hole.

Q2: Could you please inform me on the Liquidated Damages so I may get a Bid Bond.

A2: There are no Liquidated Damages for this contract.

Q3: Could you please send the previous line item bid results for this bid? I believe the previous contract bid in 2008 and had bid # of 5992F.

A3:

<u>DESCRIPTION</u>	<u>YEAR 1</u>	<u>YEAR 2</u>	<u>YEAR 3</u>
Loop Detectors (per SF)	\$8.50	\$8.60	\$8.80
Concrete Hand hole (ea)	\$653.50	\$671.50	\$685.50
2" Metal Conduit (per LF)	\$17.10	\$18.00	\$18.75

Q4: The current bid has bid items 1-3 for each of the 3 years, but the technical specifications say the hand holes are an alternate? What items are base bid items and which are alternates?

A4: There are no bid alternate items and the low bidder is based upon the grand total of all the items for all three years.

TOWN OF WEST HARTFORD 50 SOUTH MAIN STREET
TOWN OF WEST HARTFORD, CT 06107-2431
(860) 561-7470 FAX: 561-7492

Printed on Recycled Paper

Q5: Is the contract a work order-based contract, in that specific locations are requested for repairs and then the contractor performs the work?

A5: The Contract is a work order based.

Q6: What is the response time for a service call/problem?

A6: The Contractor shall complete the requested work within two weeks of receiving the Town's work order request.

Thank you for your patience, time and consideration.

Sincerely,

A handwritten signature in cursive script that reads "Tammy Bradley". The signature is written in dark ink and is positioned above the printed name.
